Second Sprint

Group 7

2017-09-09

Sprint Duration

- From 09 September 2017 to 16 September 2017

Tasks to be implemented

The team has agreed to work on the User-Stories: 0C, 0D, 0E, 1C, 2C, 2E and 2F (Check the product backlog for the complete list of the user stories).

The Front-end team will implement all the front-end components and the Back-end team will handle the Back-end(Database) components.

Note: Scrum meetings will not be held daily because of the time constrictions, instead they will be held at the end of each sprint.
